## **Application for Membership of Hindu Matiya Patidar Samaj, Inc.**

Annual membership is due during a fiscal year. If you have failed to pay your annual membership and are paying now it will carry you until December 31, 2010. The following year, 2011 fees will be due January of that year.

Due to the economic circumstances, we would like to extend this special membership offer. Pay annual membership dues now and get the remainder of 2010 and all of 2011. Thus, buying membership now will carry you until December 31st, 2011. Your spouse and your children are included in your fees, unless your son or daughter has independent earnings and/or are married. They need to be members independently even if you all share a house.

Annual membership is \$101 and Life Membership is \$1,001. Life membership is one way you do not have to pay fees every year and is the most popular subscription.
